

CAREER OPPORTUNITY

AVIATION PROJECT MANAGER - ALL LOCATIONS

The Opportunity

Are you a driven professional looking for a place to apply your **creativity**? Are you **innovative**? Do you possess the inspiration to resolve **complex challenges** while providing **valuable solutions** and building **positive relationships** in the community?

About GDA

Welcome to **GDA**. We are **driven, innovative, problem solvers** and we are looking to fill the position of **Aviation Project Manager** in our Cody, Wyoming, Heber City, Utah, and Boise, Idaho office locations. **GDA** has been creating public and private engineering and surveying projects throughout the mountain west since 1953. We offer comprehensive design and consulting services in aviation, transportation, land development, municipal, and survey imagery and mapping.

With three office locations (and growing), projects in seven mountain west states, and a lengthy list of clients, we believe that Our **Best Resources are our Human Resources**. We seek to hire great people and put them in the right roles for their strengths.

About the Position

GDA provides a comprehensive offering of aviation engineering services to airport owners and operators. As an **Aviation Project Manager**, your core responsibilities will be project management for delivery of multi-disciplinary designs, management and development of design teams, client and stakeholder interface, coordination and management of other discipline inputs into projects, and assisting with business development. This position will be based in our Cody, Wyoming, Heber City, Utah, or Boise, Idaho office locations and will have an annual salary range of \$50,000 - \$70,000 depending on experience. The position will remain open until filled.

What You Bring to the Team

- + Minimum 4 - 8 years of relevant aviation engineering experience
- + Bachelor's Degree in Civil Engineering
- + Airport experience with working knowledge of FAA standards
- + Airport infrastructure planning, building, and layout design experience
- + Licensed Professional Engineer in Wyoming, Utah, or Idaho, or ability to obtain within six months of hire
- + Business development experience
- + Self-motivated, team-oriented individual with the ability to work on challenging projects in a team environment
- + Insurable driving record

Our Generous Benefit Package

As a full-time GDA Employee, you'll receive our traditional benefits package:

- + Paid vacation, sick leave, and 10 holidays
- + Health Insurance - Employee premium covered at 100%
- + Dental and Vision Insurance - Employee premium covered at 100%
- + A generous 401(k) match
- + Participation in our bonus and profit sharing programs
- + Flex time schedule with 1/2 day Fridays
- + Employer contribution to HRA plan
- + Paid professional registrations and continuing education

Are you in?
