

CAREER OPPORTUNITY

GIS ANALYST - CODY, WY

The Opportunity

Are you a driven professional looking for a place to apply your **creativity**? Are you **innovative**? Do you possess the inspiration to resolve **complex challenges** while providing **valuable solutions** and building **positive relationships** in the community?

About GDA

Welcome to **GDA**. We are **driven, innovative, problem solvers** and we are looking for a **GIS Analyst** for our Cody, Wyoming office. GDA has designed public and private engineering and surveying projects throughout the mountain west since 1953. We offer comprehensive design and consulting services in aviation, transportation, land development, municipal, and survey imagery and mapping.

With three office locations (and growing), projects in seven mountain west states, and a lengthy list of clients, we believe that **Our Best Resources are our Human Resources**. We seek to hire great people and put them in the right roles for their strengths.

About the Position

The GIS Analyst will focus on fulfilling field and company-wide requests for creating, modifying, and producing maps and databases through the utilization of GIS, Photogrammetry, and CAD Software.

What You Bring to the Team

- + 1-5 years of relevant experience. Internships may be considered as relevant work experience.
- + Bachelor's or advanced Degree in Geography or related field, with a minor in GIS

Preference will be given to candidates with experience in the following:

- + Proficiency in ESRI products, including ArcGIS Desktop, ArcGIS Pro, and ArcGIS Online; Collector; Survey 123; Workforce; Spatial Analyst; and 3D Analyst
- + Familiarity with CAD and Remote Sensing software, including Civil 3D and Pix4D
- + Ability to process imagery and classify point clouds from UAV data
- + Knowledge of mapping standards for remote sensing datasets
- + Strong technical writing and communication skills
- + Knowledge of concepts, practices, and procedures of cartography
- + Intermediate skills working with python and model builder in GIS
- + Thorough knowledge of coordinate systems and projections
- + Finding and working with publicly available datasets
- + Ability to maintain effective working relationships with other employees, the public, and clients

Our Generous Benefit Package

As a full-time GDA Employee, you'll receive our traditional benefits package:

- + Paid vacation, sick leave, and 10 holidays
- + Health Insurance - Employee premium covered at 100%
- + Dental and Vision Insurance - Employee premium covered at 100%
- + A generous 401(k) match
- + Participation in our bonus and profit sharing programs
- + Flex time schedule with 1/2 day Fridays
- + Employer contribution to HRA plan
- + Paid professional registrations and continuing education

Are you in?

To apply, please send your cover letter and resume to employment@gdaengineers.com with "GIS Analyst" in the subject line. No phone calls please.
