

CAREER OPPORTUNITY

SENIOR CIVIL ENGINEER - BOISE, ID

The Opportunity

Are you a driven professional looking for a place to apply your **creativity**? Are you **innovative**? Do you possess the inspiration to resolve **complex challenges** while providing **valuable solutions** and **building community**?

Welcome to **GDA Engineers**. We are **driven, innovative, problem solvers** and we are looking to fill the position of **Senior Civil Engineer** in our Boise, Idaho office location. GDA is a selective employer of engaged, inspired, and deeply committed professionals. GDA builds community with inspired teams designed to integrate technology, innovation, and communication into collaborative infrastructure solutions. We also have a lot of fun!

As a **Senior Civil Engineer**, your core responsibilities will be technical responsibility for designs, project management for delivery of multi-disciplinary designs, management and development of design teams, client and stakeholder interface, coordination and management of other discipline inputs into projects, and assisting with business development.

About GDA Engineers

GDA Engineers has been creating public and private engineering and surveying projects throughout the rocky mountain west since 1953. We offer comprehensive design and consulting services in transportation, land development, municipal infrastructure, and survey imagery and mapping.

With three office locations (and growing), work in seven rocky mountain states, and a lengthy list of clients, we believe that **Our Best Resources are our Human Resources**. We seek to hire great people and put them in the right roles for their strengths.

What You Bring to the Team

- Minimum 7 - 10 years of relevant civil engineering experience
- Bachelor's Degree in Civil Engineering
- Experience in multiple elements of civil engineering design
- Licensed Professional Engineer in Idaho with preference given to candidates also licensed in Wyoming and Utah
- Business development experience
- Strong communication and collaboration skills
- Experience in AutoCAD Civil 3D

More Details

- This position will be based in our Boise, Idaho office location
- This is a full-time, benefited position
- Annual salary range of \$70,000 - \$100,000 depending on experience
- Position will remain open until filled
